2007 Colson Canyon Vineyard Syrah

Colson Vineyard is located in Santa Maria, California on Colson Canyon Road. This wine is very fruity. It has a chocolate and peppery taste to it. This wine is aged in neutral French oak barrels. It is drinkable now, but it will age for 10 years.

Retail Price: \$35.00 Club Price: \$28.00 Cases Produced: 143

2007 Clover Creek Vineyard Syrah

Clover Creek Vineyard is located on Refugio Road near the Santa Ynez River. The Clover Creek Vineyard has warm days, foggy days and cool nights, which is great to produce a jammy syrah with a purple red black fruit color. It is very easy to drink.

Retail Price: \$35.00 Club Price: \$28.00 Cases Produced: 50

2007 Evelyn Noir Syrah

This wine is a blend of 25% Clover Creek Syrah, 25% Colson Canyon Syrah and 50% Tierra Alta Syrah. I named this wine after my daughter Evelyn because on my label we use the rest of the families initials, and she was born after that, so instead of changing the label I specially made this wine for her because she has a little of everything.

Retail Price: \$35.00 Club Price: \$28.00 Cases Produced: 145

2008 Vino Blanco

A blend of two different varieties, 80% Chardonnay and 20% Marsanne. This is a nice smooth drinking wine fermented in neutral barrels and aged for three months in them. After that they were bottled and ready to go out on release day March 1st. This is a fruity wine with residual sugar and 15% alcohol. Nice smell and taste with a golden peach color.

Retail Price: \$20.00 Club Price: \$16.00 Cases Produced: 150

2007 Cabernet Sauvignon

This wine is different from most of my wines because it is my first cab. It is a very peppery and jammy smell and tasty wine. This vineyard is located in Refugio Road near Santa Ynez River. They are 45 year old vines.

Retail Price: \$45.00 Club Price: \$40.00 Cases Produced: 24
